

The Department of Defense (DoD) declined to grant Applicant a security clearance. On May 30, 2018, DoD issued a statement of reasons (SOR) advising Applicant of the basis for that decision—security concerns raised under Guideline F (Financial Considerations) of Department of Defense Directive 5220.6 (Jan. 2, 1992, as amended) (Directive). Applicant requested a hearing. On February 19, 2019, after the hearing, Administrative Judge Juan J. Rivera denied Applicant’s request for a security clearance. Applicant appealed pursuant to Directive ¶¶ E3.1.28 and E3.1.30.

Applicant’s appeal brief raises no allegation of harmful error on the part of the Judge. She states, however, that “decisions . . . can be made other than canceling my clearance.” Appeal Brief at 1. To the extent she is arguing that an exception under Directive, Encl. 2, App. C should be granted, she has not shown that such an exception is merited.

The Board does not review cases *de novo*. The Appeal Board’s authority to review a case is limited to cases in which the appealing party has alleged the Judge committed harmful error. Because Applicant has not made such an allegation of error, the decision of the Judge denying Applicant a security clearance is **AFFIRMED**.
