**APPEAL BOARD DECISION**

**APPEARANCES**

**FOR GOVERNMENT**

James B. Norman, Esq., Chief Department Counsel

**FOR APPLICANT**

*Pro se*

The Department of Defense (DoD) declined to grant Applicant a security clearance. On August 28, 2020, DoD issued a statement of reasons (SOR) advising Applicant of the basis for that decision—security concerns raised under Guideline F (Financial Considerations) of Department of Defense Directive 5220.6 (Jan. 2, 1992, as amended) (Directive). Applicant requested a hearing. On August 31, 2022, after the hearing, Administrative Judge John Bayard Glendon denied Applicant’s request for a security clearance. Applicant appealed pursuant to Directive ¶¶ E3.1.28 and E3.1.30.

On appeal, Applicant make no assertion of harmful error on the part of the Judge. Instead, he provides additional evidence and information about the circumstances that led to his financial issues and requests reconsideration of the decision. The Appeal Board does not review cases *de novo* and is prohibited from considering new evidence on appeal. Directive E3.1.29. Additionally, Applicant highlights that he requires a security clearance to retain his job. The Directive does not

permit us to consider the impact of an unfavorable decision. *See, e.g.*, ISCR Case No. 19-01206 at 2 (App. Bd. May 13, 2020).

The Board's authority to review a case is limited to cases in which the appealing party has alleged the Judge committed harmful error. Because Applicant has not made such an allegation of error, the decision of the Judge denying Applicant a security clearance is sustainable.

**Order**

The decision is **AFFIRMED**.
