APPEAL BOARD DECISION

APPEARANCES

FOR GOVERNMENT

James B. Norman, Esq., Chief Department Counsel

FOR APPLICANT

Pro se

The Department of Defense (DoD) declined to grant Applicant a security clearance. On December 17, 2021, DoD issued a statement of reasons (SOR) advising Applicant of the basis for that decision—security concerns raised under Guideline F (Financial Considerations) of Department of Defense Directive 5220.6 (Jan. 2, 1992, as amended) (Directive). Applicant requested a decision on the written record. On September 15, 2022, Defense Office of Hearings and Appeals (DOHA) Administrative Judge Gina L. Marine denied Applicant’s request for a security clearance. Applicant appealed pursuant to Directive ¶¶ E3.1.28 and E3.1.30.

On appeal, Applicant makes no assertion of harmful error on the part of the Judge. Instead, he requests reconsideration of the Judge’s decision and provides additional information about payments on his Federal and state tax delinquencies. The Appeal Board does not review cases *de novo* and is prohibited from considering new evidence on appeal. Directive E3.1.29. The Board’s authority to review a case is limited to cases in which the appealing party has alleged the Judge

committed harmful error. Because Applicant has not made such an allegation of error, the decision of the Judge denying Applicant a security clearance is sustainable.

Order

The decision is **AFFIRMED**.
