APPEAL BOARD SUMMARY DISPOSITION

APPEARANCES

FOR GOVERNMENT

James B. Norman, Esq., Chief Department Counsel

FOR APPLICANT

Pro Se

The Defense Office of Hearings and Appeals (DOHA) declined to grant Applicant a security clearance. On November 30, 2009, DOHA issued a statement of reasons (SOR) advising Applicant of the basis for that decision—security concerns raised under Guideline F (Financial Considerations) of Department of Defense Directive 5220.6 (Jan. 2, 1992, as amended) (Directive). Applicant requested a decision on the written record. On April 29, 2010, after considering the record, Administrative Judge LeRoy F. Foreman denied Applicant's request for a security clearance. Applicant appealed pursuant to Directive ¶¶ E3.1.28 and E3.1.30.

Applicant's appeal brief contains no assertion of harmful error on the part of the Judge. Rather, it contains new evidence, *i.e.*, documents indicating that Applicant has hired a tax representation firm and made two debt payments. All three documents are dated after the Judge's decision.

The Board cannot consider Applicant's new evidence on appeal. *See* Directive ¶ E3.1.29. The Appeal Board's authority to review a case is limited to cases in which the appealing party has alleged the Judge committed harmful error. It does not review cases *de novo*. Applicant has not made an allegation of harmful error. Therefore, the decision of the Judge denying Applicant a security clearance is AFFIRMED.
