APPEAL BOARD DECISION

APPEARANCES

FOR GOVERNMENT

James B. Norman, Esq., Chief Department Counsel

FOR APPLICANT

Pro se

The Department of Defense (DoD) declined to grant Applicant a security clearance. On July 25, 2014, DoD issued a statement of reasons (SOR) advising Applicant of the basis for that decision—security concerns raised under Guideline F (Financial Considerations) of Department of Defense Directive 5220.6 (Jan. 2, 1992, as amended) (Directive). Applicant requested a decision

on the written record. On September 3, 2015, after considering the record, Defense Office of Hearings and Appeals (DOHA) Administrative Judge Erin C. Hogan denied Applicant's request for a security clearance. Applicant appealed pursuant to Directive ¶¶ E3.1.28 and E3.1.30.

Applicant raised the following issue on appeal: whether she had been denied due process in that she submitted documents that were not included in the record. Consistent with the following, we remand the case to the Judge.

In their respective briefs, both Applicant and Department Counsel assert matters from outside the record regarding Applicant's response to the File of Relevant Material (FORM). Department Counsel states that Applicant submitted matters to DOHA that, through administrative oversight, were not presented to the Judge. As a general matter, we cannot consider new evidence on appeal. Directive ¶ E3.1.29. However, we have considered new evidence that bears upon threshold issues of jurisdiction or due process. *See, e.g.*, ISCR Case No. 12-01038 at 1-2 (App. Bd. Mar. 22, 2013). Department Counsel recommends that we remand the case to the Judge for further processing. We agree with this recommendation.

Order

The Decision is **REMANDED**.
