

The Department of Defense (DoD) declined to grant Applicant a security clearance. On July 26, 2017, DoD issued a statement of reasons (SOR) advising Applicant of the basis for that decision—security concerns raised under Guideline F (Financial Considerations) of Department of Defense Directive 5220.6 (Jan. 2, 1992, as amended) (Directive). Applicant requested a decision on the written record. On October 5, 2018, after considering the record, Administrative Judge Gregg A. Cervi denied Applicant’s request for a security clearance. Applicant appealed pursuant to Directive ¶¶ E3.1.28 and E3.1.30.

In his appeal brief, Applicant stated the Judge erred in finding he was 58 years old when he was actually five years younger. This was a harmless error because it did not likely affect the outcome of the case. *See, e.g.*, ISCR Case No. 11-15184 at 3 (App. Bd. Jul. 25, 2013).

Applicant’s appeal brief raises no other allegations of error on the part of the Judge. However, it does contain a number of documents and assertions that are not in the record. The Appeal Board is prohibited from considering new evidence. Directive ¶ E3.1.29.

The Board does not review cases *de novo*. The Appeal Board’s authority to review a case is limited to cases in which the appealing party has alleged the Judge committed harmful error. Because Applicant has not made such an allegation of error, the decision of the Judge denying Applicant a security clearance is **AFFIRMED**.
