Decision

DAM, Shari, Administrative Judge:

Based upon a review of the record evidence, eligibility for access to classified information is denied.

On November 2, 2009, Applicant submitted an Electronic Questionnaire for National Security Positions (SF 86). On July 8, 2010, the Defense Office of Hearings and Appeals (DOHA) issued Applicant a Statement of Reasons (SOR) detailing security concerns under Guideline F (Financial Considerations). The action was taken under Executive Order 10865, *Safeguarding Classified Information within Industry* (February 20, 1960), as amended; Department of Defense Directive 5220.6, *Defense Industrial Personnel Security Clearance Review Program* (January 2, 1992), as amended (Directive); and the adjudicative guidelines effective within the Department of Defense for SORs issued after September 1, 2006.

Applicant answered the SOR on August 9, 2010, and requested that the case be decided on the written record in lieu of a hearing. On September 23, 2010, Department Counsel prepared a File of Relevant Material (FORM) containing 11 Items and mailed
